EDITING

//

We individually edit every image that we cull for delivery to you. However, we do not do extreme body, face, or hair retouching. Blemishes will be edited on a case by case basis at the sole discretion of Steven Mitchell Photography. Edited files will be delivered to the Client in jpeg format. RAW files will never be delivered to a Client.

ONLINE GALLERY

//

You may expect processed photos to be presented online 2-4 weeks after the event. Albums, prints, and additional orders may take up to 11-14 weeks due to design, print, publication, and shipping time.

WEDDING ALBUM

//

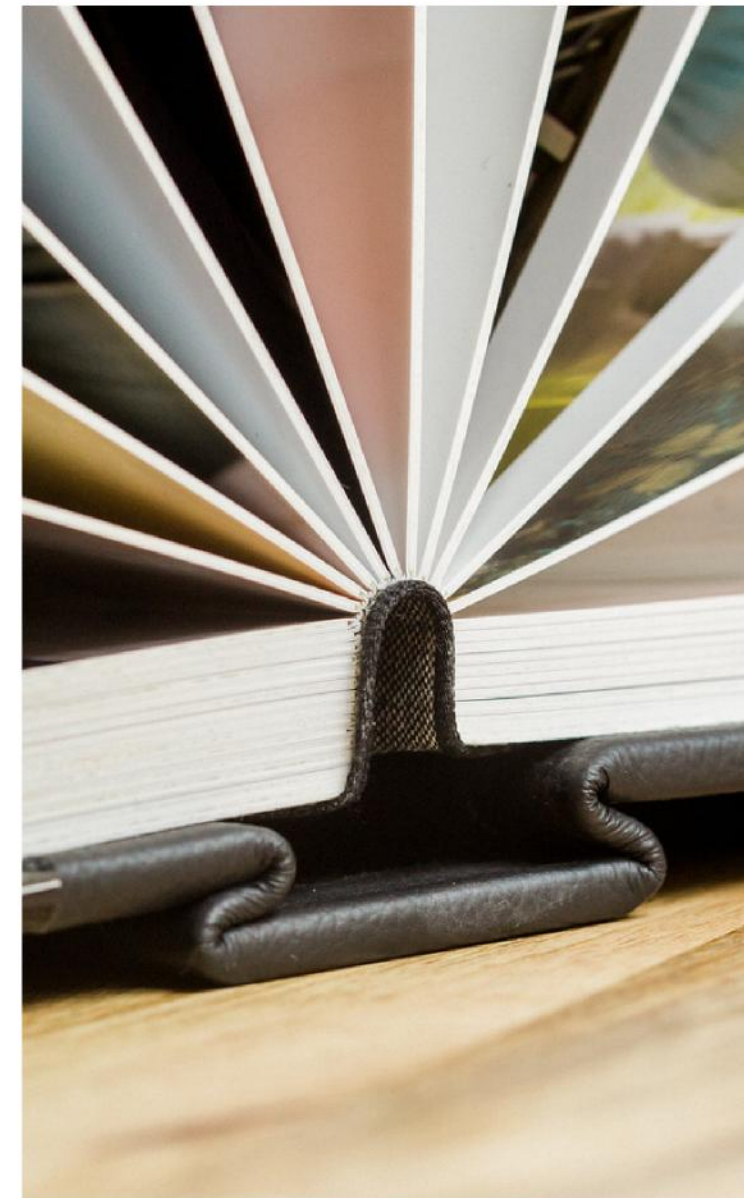

Your Wedding Album encases your most precious experiences, memories, and emotions from your wedding day. An Heirloom to last for generations and true piece of fine-art that every bride of ours will have in their hand. Every Album is custom designed around each couples unique event by Steven Mitchell Photography. We then work with you one on one to finalize the finished display of the Album.

Our Square Layflat Album combines custom craftsmanship, handmade quality details and fashion-forward looks. When you first get your hands on your wedding album, you may find yourself brushing your cheek against the glorious cover; this is perfectly normal. We do it all the time.

Our binding lays beautifully flat, so each spread can be presented in all of its glory. No cut through any photograph.

Albums can be added to any collection at an additional cost. Albums start at £500 for a 30x30cm 20-page album.

Duplicate smaller albums can also be purchased and make a great gift for parents.

A romantic couple in wedding attire. The man, on the left, has a short beard and is wearing a dark blue suit jacket. The woman, on the right, has long brown hair and is wearing a white wedding dress. They are both smiling and looking at each other. The woman's arms are wrapped around the man's shoulders. The background is a soft-focus outdoor setting with greenery and a body of water.
